Pennsylvania State Police are looking for two black men who robbed the Naaman's Creek Road Wawa store and two customers at gunpoint shortly before 1:30 a.m. on Feb 24.

According to a police report, the two men entered the store from the Naaman's Creek Road side and forced a customer to the floor, taking his wallet, cell phone and cigarettes. The armed gunman then forced the night manager to give him all the money in the registers and safe.

A second customer entered the store and was robbed of \$8, a watch, wallet and multiple credit cards.

The perpetrators took \$2,440 from the store along with five to six cartons of Newport cigarettes, 80-100 loose packs of Newports and three boxes of Dutch Master blunts.

The pair fled north on Route 202 toward Chester County at a high rate of speed in, what was described as, a grey Acura TL Sedan with a spoiler. A witness followed the getaway car north on Route 202 as far as Smithbridge Road before turning off. No license plate number was obtained.

Both men were described in the police report as black, between 6 feet and 6 feet 2 inches and weighing 180 to 200 pounds. One was wearing a grey hooded sweatshirt, black gloves, light blue jeans and a facemask. The second suspect was wearing a black hooded sweatshirt, dark jeans, a black facemask, black gloves and carrying a silvered colored semi-automatic pistol, the report said.
